

Bank Warden Report

I have only fairly recently taken over the Bank Warden role following on from Mike Steele who stepped down earlier this year. Fishing licence applications have been distributed to the Village Shop and The Ring o Bells. I have not received any applications and am pleased to say I have not witnessed any illegal fishing ahead of the start of season in June.

I have also been in contact with the Pit Group and attended their AGM earlier this year. David Cummings and his team continue to do great work around the Pit. They have recently completed further turf work to the Little Heath bank and have listed plans for further works and general maintenance throughout 2019. The work to replace the fence facing Little Heath Road is due to the start on 7th May. The fence will be set approximately one metre further back towards the water and create a narrow footpath.

The recent sunny Easter weekend saw a lot of visitors to the Pond which continues to bring a great deal of pleasure to villagers and visitors alike.
